Bunbara

CAPABILITY STATEMENT

Bunbara pays respect to the Traditional Owners of the lands on which we live and work, and acknowledge all elders past, present and emerging

COMPANY OVERVIEW

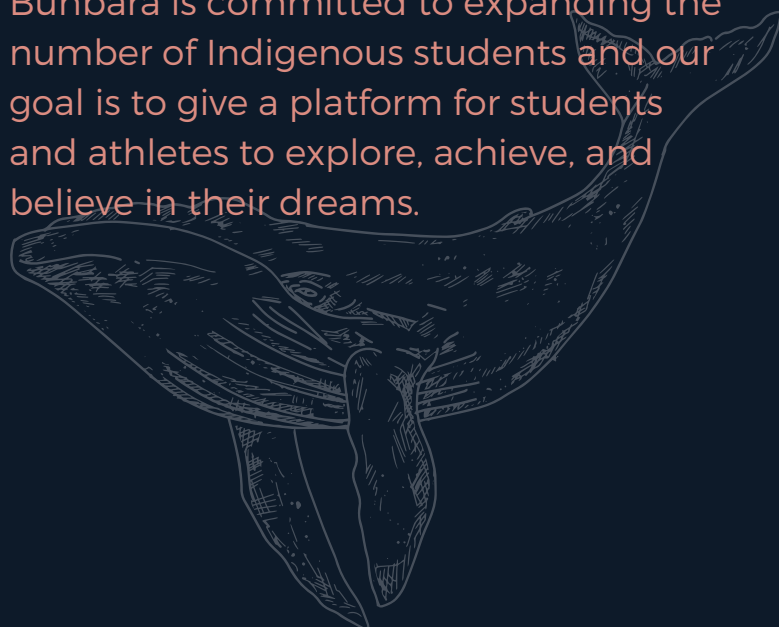

A supplier of piping packages who gives back to community

Exceptional service and premium quality piping products are the core of our business.

Bunbara are unique in being able to truly give our clients the ability to buy fully Australian owned and have been 100% Aboriginal and female owned since our inception in 2019.

As a company we are committed to giving back to the community and we do this by providing University Scholarships to Indigenous Students and sponsor athletes in a variety of sports.

Bunbara is committed to expanding the number of Indigenous students and our goal is to give a platform for students and athletes to explore, achieve, and believe in their dreams.
